2. Information and instruction on right of cancellation

The following regulations on the right of cancellation apply solely for consumers.

Cancellation policy

Right of cancellation

You have the right to revoke this contract within fourteen days without stating reasons.

The revocation period is fourteen days from the day on which you or a third party appointed by you, who is not the carrier, have/has taken possession of the goods.

To exercise your right of cancellation, you must notify us (Parfümerie Akzente GmbH, Meisenstraße 12, 74629 Pfedelbach, Germany, telephone: 1800 - 71 03 27, Email: service@parfumdreams.ie) of your decision to revoke this contract by way of a clear declaration (e.g. a letter sent by post or an email). You may use the attached sample cancellation form to do so, but this is not mandatory.

To ensure compliance with the cancellation deadline, it is sufficient that you send notification of the exercise of the right of cancellation prior to expiry of the revocation period.

Consequences of revocation

When you revoke this contract, we shall repay all payments that we have received from you,

including delivery costs (except for additional costs incurred because you have chosen a delivery method other than the cheapest standard delivery offered by us), immediately and at the latest within fourteen days from the day on which we receive the notification of your revocation of this contract. To make this repayment, we will use the same payment method used by you for the original transaction, unless otherwise expressly agreed with you; under no circumstances will you be charged fees for this repayment. We can refuse to make the repayment until we have received the goods back or until you have provided proof that you have sent the goods back, depending on which is earlier.

You must send back or hand over the goods to us immediately and, in any case, at the latest within fourteen days from the day in which you informed us of the revocation of this contract. The deadline is met if you send the goods back prior to expiry of the time limit of fourteen days.

We bear the costs of returning the goods.

You must only compensate any loss of value of the goods if this loss of value is due to handling of the goods that is not necessary to check their quality, features, and functionality.

End of the cancellation policy

The right of cancellation does not apply, unless otherwise stipulated, for distance selling contracts on the delivery of goods that are not pre-made and for whose manufacture an individual selection or designation by the consumer is essential or that are tailored to the consumer's personal requirements.
